TA 1308 | Bamboo Multi-Charging Cables With Light Up Logo

Bamboo multi-charging cables are a convenient accessory that enables you to charge numerous electronic devices at the same time. These cables typically come equipped with a number of connectors that are compatible with a wide range of electronic devices, such as laptops, tablets, and smartphones. The most common type of multi-charging cable is a USB cable with multiple connectors, including a Lightning connector for Apple devices, a micro-USB connector for Android smartphones, and a USB-C connector for more modern products. These cables can be used in conjunction with a computer or a wall converter that has several USB ports in order to charge multiple devices at the same time.

Rubberized Metal Pen

Rubberized metal pens are cool and the best promotional pens. They had crafted with high-quality and reliable materials. Thus, they are durable and long-lasting. Its barrel had specially rubberized with a black solid color. Thus, it has a rubberized matte finish on the whole barrel. The design of this custom-printed pen is so cool. The barrel, tip, and clip are the same color. While the clip is either silver-plated or gold-plated. However, the clip has a glossy finish on it. These rubberized metal pens comprise a twitch mechanism. So, you can turn the pen off and on. Thus, it gives the pen a luxurious look. While it also comprises a jumbo refill so there is no need to refill it again and again.
